Caption: E-Lites Tobacco Amnesty with Dr Hilary Jones. To mark World No Tobacco Day, E-Lites are setting up a Tobacco Amnesty. The first 1,000 smokers to come and dump their old cigarettes or tobacco pouches in a big transparent bin will get free E-Lites in return. The basic idea is that E-Lites don't contain tobacco so they are a healthier alternative. So basically, if you're a smoker, you can take part in No Tobacco Day and still have a smoke! Dr Hilary Jones is a friend of a friend of E-Lites and has agreed to come down and support them.. Liverpool Street Station.. London, England - 31.05.11.
